

Junction Boxes

For functional items to be unobtrusive in the garden, black is the best colour. Because we have been unable to source a good quality black junction box, we have had two types specially manufactured in Germany using high-grade black plastics.

Standard Junction Boxes

Our standard junction box is IP65 rated and can be supplied with a choice of cable glands. The 'soft' knockouts ensure a good seal against the gland making installation quicker and easier. Being black, our junction boxes are inconspicuous and complement armoured cable and other fixings required in the garden.

Code	Description	Price
ELA7020	Standard junction box - black	£5.49
ELA7030	Standard junction box with M20 cable gland	£6.54
ELA7032	Standard junction box with two M20 cable glands	£7.59

Dimensions 93 x 93 x 55mm

Large Junction Boxes

Our large junction boxes are also black and have M20 and M25 knockouts and a rating of IP65. The larger size provides more room within the box to make connections easier.

Code	Description	Price
ELA7420	Large junction box - black	£9.49
ELA7430	Large junction box with M20 cable gland	£10.54
ELA7432	Large junction box with two M20 cable glands	£11.59

Dimensions 110 x 110 x 66mm

Standard junction box

Cable Glands

Used in conjunction with our black junction boxes, these top quality, easy-fit cable glands are IP68 rated for a watertight seal.

Code	Description	Price
ELA6040	Compression gland with back nut black - M20	£1.23
ELA6520	Armoured cable glands - CW20S set of 2	£4.21
ELA6530	Armoured cable glands - CW20 set of 2	£4.97

Earthing Nuts

Designed by an electrician, Earthing Nuts revolutionise the installation of metal cable glands and enable a fast, easy, direct connection for protective earthing for armoured cable glands. They eliminate the possibility of loss of earth connection, especially where cables are terminated into non-metallic enclosures.

Code	Description	Price
ELA6580	Earthing Nuts - M20 - brass - set of 2 For use with both CW20 and CW20S armoured glands	£4.23
ELA6590	Earth tails for Earthing Nuts - set of 2	£1.66
ELA6582	Earthing Nuts - M20 - brass - pack 10	£21.15
ELA6592	Earth tails for Earthing Nuts - pack 10	£8.30

Standard junction box 93 x 93 x 55mm

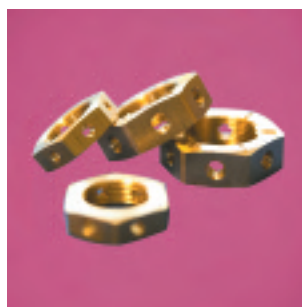

Manufactured in black, our junction boxes are inconspicuous and complement armoured cable and other fixings required in the garden.
