

Larger Junction Boxes

These larger junction boxes have four lid screws for extra rigidity, M20/25 knockouts and a rating of IP66. The larger size provides more room within the box to make connections easier.

Code	Description	Price
ELA7450	TK Junction box - 110 x 110 x 66mm	£8.28
ELA7454	TK Junction box - 130 x 130 x 75mm	£9.81
ELA7458	TK Junction box - 180 x 180 x 90mm	£15.84
ELA7466	TK Junction box - 254 x 180 x 90mm	£21.92
ELA7470	TK Junction box - 360 x 250 x 110mm	£47.27

Electrician's Draw Tapes

With a smooth surface for low friction, these draw tapes are used for pulling electrical wiring through conduit and trunking. They use extra strong, non-corroding nylon tape for performance and reliability and are spring guided to avoid jamming.

Code	Description	Price
ELA7890	Electrician's draw tape - nylon - 10m	£4.28
ELA7892	Electrician's draw tape - nylon - 20m	£6.75
ELA7894	Electrician's draw tape - nylon - 30m	£10.13
ELA7896	Electrician's draw tape - steel - 50m	£33.75
